Greetings –

I am very happy to announce that the 2018 North Dakota Academy of Family Physicians meeting will be held November 2-3 in Grand Forks, ND. We will once again be holding the meeting at the UND School of Medicine & Health Sciences. We are very excited to be in this new beautiful facility.

This is a great opportunity to network with family physicians from across the state. In addition, there are physician assistants and nurse practitioners that attend as well. We are anticipating 50 people in attendance this year. This networking opportunity may be used for many purposes, including recruiting physicians to open positions in your facility, providing information about important projects that pertain to family physicians, or pharmaceutical product promotion.

If you would be interested in supporting this meeting, please see the form attached. There are numerous ways to support this meeting. The Exhibit Hall hours are Friday, November from 11am – 5pm. This area is also where the break refreshments will be served. SPACE IS LIMITED and available on a first come first serve basis. There will be designated time to visit the exhibitors during registration from 11am – 11:30am, and a break from 2:15pm – 2:45pm, but some attendees will flow in and out during the sessions.

We are always looking for outstanding speakers to present lectures at our meetings. If you have any information on potential speakers, please feel free to forward their talk topic list and CV to me for consideration.

If your company plans to be with us at this meeting please contact me at your earliest convenience as space is limited. You may call 701-772-1730 or email me at Brandy@ndafp.org.

We continue to appreciate the financial support you have all provided over the years to make our annual meeting successful. Thank you for your consideration of this request. Please do not hesitate to contact me with any questions or concerns that you may have. Thank you.

Brandy Jo Frei, CAE
